Trillium Integration Effective 4/1/2014

Capitol Dental Care (CDC) has now partnered with Trillium Community Health Plan! You can visit them on the web at:

<http://www.trilliummedicaid.com>

As part of Oregon's healthcare transformation, recently formed Coordinated Care Organizations (CCOs) are charged with overseeing physical, dental and mental health care delivered to members of the Oregon Health Plan (OHP). For more details see www.cco.health.oregon.gov.

Claims Processing!

Properly determining your patient's CCO is essential for claim processing. If you have difficulty identifying your patient's OHP/CCO membership; call 1-800-525-6800 and our member services team will be happy to assist you. Also our third party administrator, PH Tech offers a web software to all CDC providers to verify eligibility. For assistance contact CIM support at: 503.584.2169 option 2.
