If your already using the online portal through PH Tech, great!

Holiday Ideas?? What do the holidays and being mouth healthy have in common? More than you may think. Did you know that you should replace your toothbrush every three to four months? Bristles that become frayed and worn are less effective at cleaning your teeth. That means, celebrating the new year with a brand new toothbrush is actually smart dental hygiene. Visit mouthhealthy.org

CCO Updates!

As you know, CDC contracted with 4 new CCO's in October (Family Care, WVCH, IHN and Primary Health)

In January 2014, CDC will contract with 2 additional CCO's HealthShare in the Tri Counties Jackson Care Connect in Jackson and Josephine Counties.

If your office is located in these counties, check your
