February CDC Newsletter!

Oregon Health Plan continues to expand! Additional Dental Providers needed!!

On January 1, 2014 OHP Standard members had their benefits upgraded to a more comprehensive benefit package. The New Year also brought health coverage to more than 114,500 additional people who enrolled directly in the Oregon Health Plan through the Oregon Health Authority and approximately 35,000 others who joined through Cover Oregon. Their health coverage is comprehensive including physical, mental, and dental services. Open enrollment continues through March 31. www.oregon.gov.

To meet this increased enrollment, CDC continues to expand our network of providers, if you have a colleague that might have an interest in becoming an OHP Provider please contact Mary Moreno directly at 503.998.9070.

FDA Youth Tobacco Prevention Campaign!

The U.S. Food and Drug Administration will launch a national public education campaign targeting 12-17 year-olds with "real cost" messages about cosmetic, oral and other health consequences of tobacco use. The campaign will start with cigarettes and expand to smokeless and other tobacco products, the first TV ads airing Feb. 11 and extending across online, offline, print, radio, social and other media platforms for at least a year. See <http://www.ada.org/news/9600.aspx> for more campaign information. Follow <http://therealcost.betobaccofree.hhs.gov/> for a direct link to the campaign

Patients with OHP that wish to pay for non-covered services need to sign an agreement to acknowledge the services being received are not

part of their OHP benefits. A new "agreement to pay" form is now available online! You can find it on the Forms page at

www.oregon.gov/OHA/healthplan/forms.aspx by typing in the search field, or the form number 3165. Or use the direct links to the forms are
