

Dear Office Team,

Starting January 1, 2016, all employees must comply with the mandate to complete the Fraud, Waste and Abuse (FWA) training in compliance with the Centers for Medicare & Medicaid Services (CMS) requirements.

FWA training must be completed 90 days after initial hire/contracting and annually thereafter as described in the regulations and sub regulatory guidelines.

Through the Medicare Learning Network (MLN), the Medicare Fraud, Waste, & Abuse course trains the employees to detect and report fraud. It also covers common Medicare schemes and warning signs, and anti-fraud laws, such as the Anti-Kickback Statute, the Healthcare Fraud Statute, the Stark Law, and the False Claims Act.

The FWA course takes about 70 minutes and can be accessed by going to the below link and following the directions in the proceeding pages.
