

Capitol Dental

Good afternoon Dental Partners,

The email below is the 4th in a series of messages from the National HPV Vaccination Roundtable's *Power to Prevent HPV Cancer Campaign*; this week's focus is on **dentists, dental hygienists and the dental team.**

As a partner with the majority of Oregon's Coordinated Care Organizations and their physical health providers, Capitol hopes to provide oral health leadership in this critically important area of preventive healthcare. Capitol Dental Care strongly encourages you to share the email below with your staff and with colleagues in your area!

Every week, a new critical member of the HPV Super Six Hero Team will be spotlighted, because when we ALL work together, we can and we will defeat HPV cancers!

Thank you,
Capitol Dental Care

Hello!

It is week 4 of the Power to Prevent HPV Cancer campaign. Each week we are spotlighting a critical member of the HPV Super Six Hero Team. This week we are highlighting the HPV cancer prevention power of [dentists, dental hygienists, and the dental team.](#)

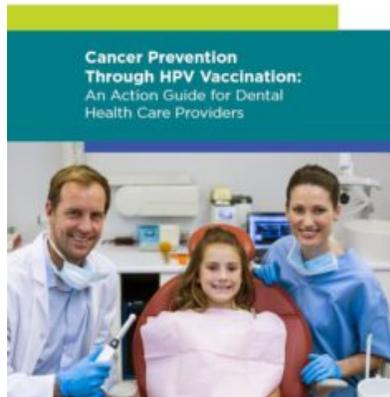

Dental professionals have a unique role in HPV cancer prevention. They have several opportunities to see pre-teens and educate parents of age-eligible patients about the risks of HPV and the importance of getting the HPV vaccine.

Dentists, Dental Hygienists, and those that support them, can boost their HPV cancer prevention powers with these [3 three actions](#):

1. **JOIN** the [HPV Super Six Hero Team](#) and download [Cancer Prevention through HPV Vaccination: An Action Guide for Dental Health Care Providers](#).
2. **SHARE** these social media messages:
 - a. Dentists, Dental Hygienists, and Dental Teams can educate parents on the link between HPV infection and oropharyngeal cancer. Educate parents of your age-eligible patients about the risks of HPV and the importance of getting the HPV vaccine. Get specific tips and join the #HPVSuper6Hero Team: <http://hpvroundtable.org/power>
 - b. Dental providers: Engage your whole team in HPV cancer prevention. Create a culture of cancer prevention by arming staff with language to speak professionally and confidently about the vaccine. Get specific tips and join the #HPVSuper6Hero Team: <http://hpvroundtable.org/power>
 - c. #Dentists, Dental Hygienists, and Dental teams: Use your voice to prevent #HPV cancer. Get specific tips and join the HPV Super Six Hero Team. <http://hpvroundtable.org/power>
3. **FOLLOW** along on [Facebook](#) and [Twitter](#) for the next 4 weeks as we share more tips on how to increase HPV vaccination rates.

Take action this week to put as many young people on the path to long-lasting HPV cancer prevention as possible. [You have the power to prevent 6 HPV cancers!](#)

Best,
Jennifer Sienko
